

REQUESTS FOR EXPRESSIONS OF INTEREST

REQUEST FOR EXPRESSIONS OF INTEREST FOR CONSULTING SERVICES FOR THE OFF HIGHWAY VEHICLE TOURISM FEASIBILITY STUDY FOR PEI.

The PEI ATV Federation is issuing an Expression of Interest to seek consulting services for the development of a PEI ATV Tourism Product Feasibility Study. The study will aim to establish an in-depth and comprehensive understanding of the current trail system, steps required to create a tip to tip Island wide trail system, development towards a sustainable tourism product framework as well as the associated economic impacts.

The goals of this community based feasibility study are to:

- Determine the feasibility of the most direct and sustainable connector trail tip to tip in compliance with our environmental code of practice.
- Identify and compile an inventory of both constraints and opportunities for trail experience and development.
- Identify and observe the expectations and concerns of stakeholders;
- Create an industry driven 3 year development plan which also outlines the potential tourism & economic impacts.

Firms wishing to provide consulting services for this study are invited to submit their expressions of interest outlining their qualifications and previous experience. Qualified firms, which have been pre-qualified through this EOI process, will then be engaged by the PEI ATV Federation through a formal Request for Proposal process.

Expressions of interest submissions and/or questions can be directed to:
